Re: Dr Kiflu Gebremeskel, Pastor Kidane Weldou, and Rev Haile Naizghe

## Letter of Petition

Your Excellency,

I am writing to appeal for the release from prison of our Christian brothers, Dr Kiflu Gebremeskel, Pastor Kidane Weldou, and Rev Haile Naizghe. These men have been unjustly imprisoned for more than 19 years for exercising their right to freely worship God, as Scripture commands.

After all these years of imprisonment their health has deteriorated, due to high blood pressure and diabetes. Please consider the unjust imprisonment and also the humanitarian health concerns and this appeal to your government for the immediate release of these Christians.

Since we are one body in Christ, we remember our persecuted brothers and sisters in Eritrea who are in chains for proclaiming the Gospel. We pray and act in faith by exercising our right to free speech and petition the government of Eritrea to release these three imprisoned pastors as soon as possible.
